My Chemical Romance Black Parade Download

K And Europe, The Black Parade Is Dead! Is a lavish CD/DVD affair chronicling two performances: the CD captures the band's October 7, 2007, Mexico City date -- their last as the Black Parade -- while the DVD features video of that show as well as their October 24, 2007, date at Maxwell's in their home state of New Jersey.

S grandiosity is only fitting, considering how elaborate The Black Parade was, and also fittingly, the Mexico City show is a song-for-song performance of that album -- the only difference is 'The Black Parade Is Dead,' where Gerard Way announces to the audience that this is 'the last performance of The Black Parade forever!' As on The Black Parade, the highlights happen when My Chemical Romance make these songs about death sound especially lively and theatrical.
