Some redundant controls have been removed and others added • • When exporting AIFF and Wave files, Record/Reason-style tempo information is now included in the file.. Also, when importing audio files created in Record or Reason, the tempo information in those files is used for setting tempo and length in ReCycle.. • • The Waveform now indicates graphically what sound will be played back, by dimming silent sections.. • • The program is now fully compatible with 64 bit operating systems • • ReCycle 2.. Our intentions are not to harm Recycle software company but to give the possibility to those who can not pay for any piece of software out there.. Our releases are to prove that we can! Nothing can stop us, we keep fighting for freedom despite all the difficulties we face each day.. • • The main window has been redesigned, with new zooming and scrolling Scrolling is smoother and you can now zoom in further..
